*Clinical images require written permission of the individual concerned, or of their parent / legal guardian if they are under the age of 16 years or otherwise unable to give consent, Please indicate which of the following apply:*

I am the subject of the photographs \_\_\_\_\_

I am providing a copy of the subject's permission \_\_\_\_\_

Name of subject \_\_\_\_\_ Signature \_\_\_\_\_ Date \_\_\_\_\_

I freely give my consent for NZ DermNet, the website of the New Zealand Dermatological Society Incorporated (NZDSI), to use copies of these images for an indefinite period. These images may be used for the following purposes.

- Display on NZ DermNet website, which provides information about skin diseases and their treatment to consumers and health professionals worldwide
- Use in lectures, school reports, research papers, scientific posters
- Publication in professional journals or other print or electronic media including television programmes
- Other purposes that NZ DermNet decides appropriate

Images displayed on NZ DermNet will not include the name of the person photographed, however, complete anonymity cannot be guaranteed. NZ DermNet usually displays an optimised low-resolution file that contains a watermark of the NZDS logo. The larger images link to a statement that copying requires the permission of NZ DermNet's website manager.

I understand that on request, NZ DermNet may agree to supply a copy of the original quality images or low-quality images without the watermark to another person or organisation. NZ DermNet may charge a fee to do so to offset the time and effort required. I understand I will not receive any payment should this occur.
